We will work on a holiday performance – to be performed in early December (before the holiday crunch and then a Spring Performance to be performed in April/May. Dancers will be required to have their own leotard, tights and dance shoes for the performances. The remainder of the costume will be various accessories provided for use by Dance Dimensions.

Other fees – Each member of the Performance Ensemble will need to purchase an exclusive "team sweat suit." They will wear these to and from each performance to signify our unity as a group. There will also be a small fee collected to go towards purchasing the extra costume pieces (skirts, tutus, vests, hats, etc). If you participated this year, the sweatsuit is the same so you need not purchase a new one.

WE ARE VERY EXCITED ABOUT WORKING WITH YOUR DANCER FOR PERFORMANCE ENSEMBLE
