Preparations for our spring recital are underway. The dance routines will be started after the new year, and during the month of November the children will be sized for their costumes. **All costumes must be paid for by December 1 and no costume will be ordered without payment.** The prices below include tights and any accessories for the complete costume.

The recital will be held at Dwight Morrow High School on May 31st and June 1st. Please see the main bulletin board to find out which show your child's class(es) is performing in- it is a color coded chart. If you need to make any class changes, I need to know before costumes are ordered.

The recital is the highlight of the season for the dance student. As preparations begin, enthusiasm begins to spread among the students, the learning atmosphere of the class hits a new high, and general achievement shows a more rapid progression. Those students who cannot participate in the show are asked to let me know by Dec 1. The regular class study of nonparticipants will not be affected, but it is important in our preparations that we know.

Prices for the costume are as follows:

Shooting Stars - Small & Medium Child \$65.00; Large Child \$68.00

All other dance classes: Small & Medium Child \$70.00

Large Child & Adult S,M,L - \$73.00

Gymnastic Leotards (for gymnastic classes on Friday afternoons in the Annex)
