Recital - Saturday & Sunday

June 5th and 6th

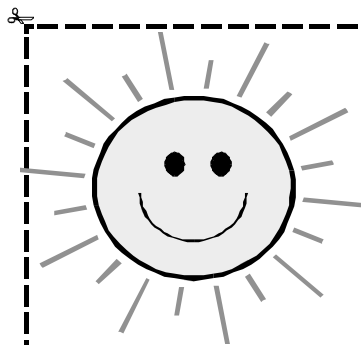

From the Director Annette Romano-Merlini

As we anxiously wait for spring, we begin to look for signs of its arrival. I can see many signs of it approaching in our classrooms. Our young dancers are blossoming into true performers. They are hard at work mastering steps they have been working on and are constantly working on new material to keep up the challenge.

Anticipation of our recital has also begun – the dance routines have been started, costumes are arriving, and the enthusiasm in the classes is at a high. Our competition season is in full swing and our dancers are performing beautifully.

National Dance Week begins April 23rd — watch the bulletin board for information for our annual poster contest!!

Meet an Assistant

Stephanie Kurdach

Stephanie is a 16 year old honor student at Bogota High School. Stephanie has been at Dance Dimensions since she was 5 years old and is currently a member of the senior tap competition team. She is also a *wonderful* assistant to Ms. Carol's tap/hip hop class on Saturday and Ms. Amy's Shooting Stars 4 year olds. Stephanie loves to dance, cheer and run. Also high on her list of things to do is shopping and hanging out with friends!

Emma Bednarski

11 year old Emma is Ms. Chrisi's Wed. tap/hip-hop assistant. This is Emma's 9th year at Dance Dimensions and she studies Ballet, Contemporary, Musical Theater, Jazz, Lyrical and Hip-Hop. She is also a member of the intermediate1 competition team. Emma attends Oradell Public School and is in the sixth grade — she loves math!!! When Emma's smiling face is not at the studio she is probably practicing the piano or spending time with her little sis Lauren.
